Fall 2010

First MIDTERM EXAM

- Closed book, closed notes.
- Scientific (or simpler) calculators are permitted, but printing or noisy calculators are not.
- No iPod's, earphones, PDA's, audible or programmable devices, BlackBerries, internet-enabled or other cell phones, etc. In the unlikely event you have brought such devices into the room, turn them OFF and keep them out of sight.
- You will have 75 minutes to complete the test, or until 5:05 pm today, whichever comes first.
- Write all answers on the test paper, showing work when possible to allow for partial credit. The point value and maximum suggested time to allow is indicated for each problem. Point values for multipart questions are evenly distributed unless otherwise specified.
